# Christmas shell snowman

## You will need:

- 1 small shell
- 3 larger shells
- Ribbon
- Paint (white, black & orange)
- Glue

## Method:

- Choose three shells to make your snowman's body and one shell for your snowman's hat.
- Paint the three large shells white and leave to dry.
- Paint a face onto your smallest white shell and add two googly eyes.
- Paint the snowman's buttons onto the remaining white shells.
- Glue the three white shells together to form the snowman and leave to dry.
- Glue the shell that you set aside for the snowman's hat on top of your snowman's head and leave to dry.
- Glue your piece of ribbon onto the back of your snowman. Leave to dry and hang onto your Christmas tree.
