# Christmas crab mask

## Instructions:

- Cut around the mask.
- Carefully cut out the eye holes and make sure they fit your face.
- Punch holes in the little black circles on each side of the mask.
- Cut a length of string or elastic that is long enough to tie around your head.
- Tie the ends of the string to each hole.
- Try on the mask. It should fit snugly but not too tight.
- Adjust the length of the string or elastic if necessary.
